SAVING EARLY IN LIFE HAS MAJOR BENEFITS:

As you may calculate or know, saving early in life provides astounding and surprising beneficial benefits later in your life!

ASSURANCE WHEN YOU LOOSE YOUR JOB OR INCOME:

If you lose your job or can't pay anymore...it is fine!

Just restart payments again (on any of the LGI included products) as soon as you can and deposit a little extra to make up for and to cover past lost premiums!

These three products will not expire if payments cease in difficult times!

THERE MAY BE MARKET SHORT-COMINGS IN POLICIES, SAVINGS PLANS, INSURANCE POLICIES, MEDICAL INSURANCE AND STANDARD COMPANY PRODUCTS OF ALL SORTS...

All insurance companies that I personally know of do **not** properly cater for people who lose their jobs, or fail in regular payments due to hardships that can strike at any time! When hardships happen, clients usually cannot continue their monthly payments and are then speedily penalized as a norm!

This causes major problems and stresses for clients who have to survive under difficult family situations, income fluctuations, stock market crashes, work layoffs, job changes, financial disasters, medical emergencies, etc. Many times a client who was penalized by their service provider must then, if possible, start all over again to secure their future, time and time again!

These standard market penalization strategies are **anti-life**! In this regard, LGI tm products are different because we are **PRO-LIFE** and offer **PRO-LIFE-PRODUCTS!**

SO, YOU WIN HERE AT LGI™...

LGI™ PRODUCTS caters for STANDARD OFFERINGS and STANDARD market shortcomings - in that your pension savings plan or other approved LGI™ savings product of whatever name or kind...usually will not be damaged, stopped, confiscated, negatively altered, frozen, or canceled...within the rules and terms that govern such individual LGI™ product!

Thus, LGI™ approved products is very beneficial and user friendly towards our subscribers and clients!

Additionally, it is also a business income opportunity for our subscribers...

THESE BENEFITS ARE VERY IMPORTANT FOR THE LGI™ CONSUMER, WHICH IS YOU!

HOW DOES LGI™ PRODUCTS AND SERVICES DIFFER FROM THOSE IN ALL OTHER COUNTRIES AND POLITICAL SYSTEMS?

SUMMARY:

1. We are pro-life!
2. We are anti suppression or anti oppression of the public!
3. We may allow or determine that qualifying clients of LGI™ products and services may become co-owners or L.S.P. Participation Shareholders, via our **LifeSurePlanCard Account™ Buy-in System.**

REGARDS ALL OUR PRODUCTS AND SERVICES:

1. Our intentions / business / benefits are based on peace-time activities and calculations, etc.

3. Therefore, your standard personal insurance policies must cover these unforeseen factors, circumstances and activities. We do not cover such with any insurance on our side, till date. We can and will not be held liable for any such circumstances or impositions - seeing that they are planned and executed by the power elites and their puppets in society. This is logical and reasonable and our clients agree to that by doing business with ourselves.

4. Acts of God must also be covered by your own insurance policies and we cannot be held liable or be regarded as responsible or liable for such unforeseen and unknown events.

5. These basic rules apply to all LGI tm business, transactions, dealings, products, services, contracts and activities, etc.

These are **private products and agreements between two private consenting people or entities**, where my rules and terms will apply **only**, as amended from time to time, to make our products and services flow and flourish, for the benefit of all parties in this product / business / 'contract'. Members / joiners agree to this!

The principles and world-vision upon which LGI tm products and services and conduct is based are radically different to that of the 'world' and its evil satanic occult anti-life systems...

2. For work done, labor 'credits' may be issued to LGI tm L.S.P. Account Card clients, or 'money' payments may be made to you. The specific occasional agreement with you will determine which of these many options may be used. This applies to all our business / products and is agreed per each occasion between the two contracting parties / entities / persons, etc.
3. The main controlling P-Shareholder of LGI tm [C.E.O. / pierre le grande] is NOT a prude, neither like those in the Satanic hierarchy of Satan that fill the structures and businesses of this present N.W.O. society in 2017AD.

Here things are different and are done differently, as all will soon find out personally.
4. We are pro-life, intelligent, and logical; we share, live and let live. If you like this, then join us. Support us...as it may help secure a more beneficial future for you and yours!
